Utilities, Rental and Mortgage Assistance Program 22-23	The Low-Income Home Energy Assistance Program (LIHEAP) helps families living on low incomes pay their heating bills in the form of a cash grant. Households in immediate danger of being without heat can also qualify for crisis grants. The cash grant is a one-time payment sent directly to the utility company/fuel provider to be credited on your bill. These grants range from \$500 to \$1,500 based on household size, income, and fuel type.
