

<p>Elmont Child & Adolescent Treatment Program</p>	<p>Children and adolescents are at a unique stage in their development, which can significantly impact the way certain behavioral health concerns affect them. We designed the child and adolescent inpatient programs at Belmont Behavioral Health System for children ages 5-17 who are experiencing a mental health crisis and need immediate stabilization of their symptoms.</p>		<p>https://www.belmontbehavioral.com/programs/inpatient/child-adolescent-inpatient/</p>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
