Truman High School

**1. What is your favorite thing about being a Truman Tiger?** My favorite thing about being a Truman Tiger is being able to grow and learn in a diverse community, and being around people that are similar and different than I am.

**2. As a two-sport athlete, what do you enjoy the most about playing football and baseball for Truman?** What I enjoy the most is just being around my teammates and creating a bond that feels like family. Playing sports with those guys just makes it more fun, especially when you have young guys that look up to you, it makes you want to compete.

**3. Are there any other clubs or activities you participate in inside or outside of school?** Yes, I play baseball for a few different teams outside of school and work.

**4. What awards or accomplishments are you most proud of?** I am most proud of making playoffs last year for baseball. It's been a long time since it has happened and I was happy to be a part of it.

**5. What is your favorite class at Truman, and why?** My favorite class at Truman is probably any class that the gym teachers are involved in because of how cool they are.

**6. Who is a teacher, coach or staff member that inspires you, and why?** Every coach I have inspires me in some way, but I would have to say Mr. Monaghan inspires me the most because he was around since my 8th grade year to watch me grow as a person and athlete. His main focus is always to help me to get better at what I do no matter what it is.
